

In collaboration with

## SEAWORLD PARKS & ENTERTAINMENT,

SeaWorld Abu Dhabi will bring the next generation of marine-life theme parks to Yas Island. It will feature eight different realms in a unique design offering immersive experiences as well as dynamic habitats that will house different species together, as they are in their natural habitat.

The SeaWorld Abu Dhabi experience will tell a unified "One Ocean" story based on the interconnectivity between all life on earth and our oceans:

**WE ARE CONNECTED TO THE OCEAN, AND THE OCEAN CONNECTS ALL OF US.**

SeaWorld Abu Dhabi will also be home to a research and rescue center, the UAE's first dedicated marine research, rescue, rehabilitation and return center and global conservation efforts.

Accessible to visitors by reservation, the research and rescue center will also demonstrate the work from resident scientists and researchers, enriching guests' knowledge of aquatic animals, and offering tailored educational learning programs for both local and international schools and touring groups.
